

MAIL BOX POSTS

One of the defining aspects of Dry Run Commons is that we have unique mail box posts. These posts are custom made and cannot be bought over the counter. So we are including the plans for the post.

If you have no way of making one Bill Barney has been supplying posts for those who need them and has some completely assembled ones in stock. All they need is a hole to put them in and paint. The current price for the assembled post is \$35.00. Call Bill at 304-263-1589 and he will arrange to get one to you. Also our HOA has a supply of paint that can be used for new and existing posts. All you have to do is bring a container to Bill and he will supply you with the paint you need. Also if you need a digging iron and post hole digger Bill has them to loan.

As a reminder our covenants state that the architectural control committee has full say as to the design of mail boxes and paper holders. This is found in Article XII (m), page 28 of the DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS.
